## NOTICE TO CITY EMPLOYEES OF CITY ETHICS RULES CONCERNING POST-CITY EMPLOYMENT

The Governmental Ethics Ordinance, Chapter 2-156 of the Municipal Code of Chicago, contains post-employment restrictions that apply to all former employees of the City.

For example, as a former employee of the City, you are required to comply with section 2-156-070, entitled "Use or Disclosure of Confidential Information," and section 2-156-100, entitled "Post-Employment Restrictions."

This summary outlines some of the restrictions that apply once you leave City service. To the extent this summary differs from the language of the Ordinance, the language of the Ordinance is controlling.

The post-employment restrictions are:

1. You are permanently prohibited from using or disclosing confidential information gained in the course of, or by reason of, your position with the City.
2. For one year after leaving City service, you cannot assist or represent\* any person other than the City in any business transaction involving the City, if you participated personally and substantially in the subject matter of the transaction during City service.

\*Assist or represent involves a wide range of activities. The term has been interpreted to mean: making appearances before City agencies on behalf of others; making telephone contact with City employees and officials on behalf of others; signing or submitting proposals, contracts or other documents to City agencies; making contact with employees or officials on behalf of others; as well as acting as a spokesperson for another, or seeking to communicate and promote the interests of one party to another.

NEIGHBORHOODS

3. You are permanently prohibited from assisting or representing any person other than the City on any contracts over which you exercised contract management authority\* during your City service.

\*Contract management authority means personal involvement in or direct supervisory responsibility for the formulation or execution of a City contract, including without limitation the preparation of specifications, evaluation of bids or proposals, negotiation of contract terms or supervision of performance.

4. You are permanently prohibited from assisting or representing any person other than the City in any judicial or administrative proceeding involving the City, if during your City service:
- (a) you were counsel of record; or
  - (b) you participated personally and substantially in the proceeding.

Please note that these restrictions do not prohibit you from accepting employment with anyone; however, they may restrict what you can do in your new employment.

Every City contract must include a provision that requires compliance with Chicago's Governmental Ethics Ordinance. Therefore, if your new employer has an interest in matters involving the City, it is imperative that you and your employer understand what, if any, post-employment restrictions apply to you.

This summary is only an overview intended to help current and former City employees develop a basic understanding of their responsibilities under the Ordinance. For authoritative guidance on specific questions, consultation with the Board of Ethics is recommended. The Board will maintain the confidentiality requirements of the Ordinance. For assistance, call (312) 744-9660.

Within a five day period in February of 1982, three Chicago Police Officers were killed in the line of duty. In a related incident, a Cook County Department of Corrections Sergeant was also shot and killed. All four murders occurred within the investigative jurisdiction of the Area 2 Violent Crimes Unit.

Off duty Sergeant Lloyd Wickliffe and Deputy Sheriff Alvin Thompson were shot while working part time at a restaurant at 11421 S. Halsted St. Two men entered the restaurant; one was carrying a sawed-off shotgun and the other a revolver. The man with the shotgun fired at Wickliffe for no apparent reason. The sergeant was mortally wounded in the chest. The other offender then shot Deputy Thompson. The offenders fled with both officers guns.

On 5 February 1982, less than a month after the murders at the restaurant, Police Officer James Doyle was shot and killed on a C.T.A. bus while arresting a robbery suspect. Police Officer Robert Mantia followed this offender from the bus and, in an exchange of gunfire, wounded him and placed him under arrest. Officer Mantia recovered two revolvers from this individual. One of these, a .357 magnum, was found to be the gun that had been taken from Deputy Sheriff Thompson. The other had been reported taken in a burglary.

Area 2 Violent Crimes detectives investigating the case, determined that the arrestee was the man responsible for not only Officer Doyle's murder, but also that of Sergeant Wickliffe and the shooting of Deputy Sheriff Thompson. Further investigation led to the arrest of the second offender.

for their investigative acumen.

A series of commercial armed robberies had occurred throughout a wide area of the southside of Chicago. Lieutenant Burge, Sergeants Byrne, Hoke, Manos, and Wilson, and Detectives Basile, Flood, Glynn, Madigan, Maslanka, McDermott, McGuire, McWeeny, Paladino, and Shine were assigned to combat this problem. During the continuing investigation, witnesses were located in two separate cases who described a similar vehicle used by the offenders. A computer check of 10,000 license numbers was completed on a partial license number that had been obtained. This procedure resulted in the identification of two suspects who had access to the described vehicle.

One of these individuals was subsequently positively photo identified as the offender in one of the robberies. Sergeant Manos and Detective Paladino placed this individual into custody as he was driving the identified vehicle. This individual named other members of the robbery group and various robberies committed by them.

During the following four days of around the clock investigation, seven additional members of the group were arrested and seven handguns and two sawed-off shotguns were recovered. Lineup procedures were conducted and various members of the group were positively identified as participants in 19 different armed robberies, 2 home invasions, and the unsolved robbery/murder of a cab driver.

Police Officers Richard O'Brien and William Fahey were shot and killed when they stopped a vehicle for a traffic violation at 8108 South Morgan St. Members of the Area Two Violent Crimes Unit coordinated a massive, city-wide investigation and pursuit of the two offenders.

Utilizing information developed from witness accounts, the detectives recovered Officer O'Brien's and Officer Fahey's guns at 1440 West 115th St., where they also recovered a sawed-off shotgun. This shotgun was later identified as the weapon used in the murder of Sgt. Wickliffe. The identity of the two at large offenders was published and warrants for their arrests were secured.

The detectives pursued hundreds of leads, subsequently arresting the offenders in different areas of the city. Both confessed their involvement and have been indicted and are awaiting trial.

The members of the Area Two Violent Crimes Unit exhibited exceptional professional skill and conduct during this well coordinated action in which the aforementioned series of murders of law enforcement officers was brought to a quick and successful resolution.

After a theft occurred at a drug kingpins party, two enforcers were dispatched to avenge the theft. One subject was killed and the other seriously wounded and left for dead.

During this investigation it was learned that the offenders were part of a major drug ring in Chicago, netting over \$40,000 per day. Each time a suspect was apprehended during the course of the investigation a large quantity of drugs were seized and weapons recovered.

After the arrest of the leader of the drug ring, who is the subject that ordered the executions of the 2 victims, he made admissions of attempting to bribe the survivor of the execution to quash her testimony in court.

During the period from March to September of 1987, the nominees arrested 7 members of this drug organization, recovered 5 guns and seized over a quarter million dollars of heroin and cocaine. The arrestees were charged with crimes of Murder, Attempted Murder, Home Invasion, Possession and Delivery of Controlled Substances, Bribery and Weapons Violations. Due to the intense investigation by the members of Area 2 Violent Crimes, a Murder was cleared and a major drug ring squashed.

for their investigative expertise and tenacity.

Four out of town visitors and two other people were robbed at gun-point by a lone offender after they had attended services at a church at 109th and Michigan Avenue. One of the out of town visitors was shot and killed during the robbery and the offender made good his escape.

Through a multifaceted investigation, Detectives Baker, Bosco, Costello, Flood, Karl, Krippel, Madigan, Maslanka, McDermott, McGuire, McWeeny, Nitsche, O'Rourke, Pienta, Rowan, Ryan, Solecki, and Wolf located additional eyewitnesses who lived in the area, leading to the production of a composite drawing of the offender. During an extensive door to door canvass with the drawing, the detectives learned the nickname of an individual who closely resembled the sketch.

Further information was developed in relation to this suspect, which led the detectives to stake out a currency exchange at 111th and Michigan Avenue. When this individual arrived at this location to pick up a public aid check he was placed into custody. He was positively identified by eight victims and witnesses. He has since been indicted for Murder, Armed Violence, and multiple counts of Armed Robbery and Attempted Armed Robbery.

NOTICE TO EMPLOYEES - ETHICS RULES

All employees of the City of Chicago owe their primary business/employment loyalty to the city and its citizens. In addition to the obligation to perform duties in a satisfactory manner, there are various ethical restrictions and obligations imposed by the City. Violation of these restrictions and obligations may result in discipline, up to and including discharge.

**Gifts/Money.** You may not accept any anonymous gift. You may not accept gifts from persons or organizations whose City business you are in a position to affect, with the exception of occasional non-cash gifts valued at less than \$50. You may not accept anything of value intended to influence official decisions or actions, or in return for advice on City business or operations. Any gifts you accept on behalf of the City must be reported promptly to the Board of Ethics.

**Dual Employment.** You may not use City time or City-owned property in any non-City employment or business. You may not use or reveal confidential information gained from City employment. The Chicago Police Department has the right to restrict secondary employment for good cause.

**Interest in City Business.** You may not take part in or influence any governmental decisions in which you have an economic interest. You may not have a financial interest, in your name or in the name of any other person, in any contract, work or business of the City. Such a financial interest can include being an employee or consultant in any City business undertaken by an immediate family member.

**Property.** You may not engage in or permit the unauthorized use of City-owned property. You may not have a financial interest in the purchase of City property unless it is sold through public, competitive bidding.

**Relatives.** You may not hire or advocate the hiring of relatives for jobs with the City agency where you are employed. You may not supervise or involve yourself with any City contract that benefits a relative.

These obligations and restrictions are set forth in detail in Chapter 2-156 of the Municipal Code, and in the Personnel Rules of the City. This Notice is intended to describe some of the more common situations covered by the ethics rules; it is not a substitute for a review both of Chapter 2-156 and the Personnel Rules. If you have any questions about your ethical obligations, contact the City of Chicago Board of Ethics, 744-9660.

I hereby acknowledge receipt of a copy of the foregoing notice this 25 day of 11/11, 1998.
